SPECIAL NOTE: Installation Sequences
After TMS & Safety mandated preparatory steps have been taken, the installation sequence is the suggested method for completing the accessory installation. In some instances, the suggested sequence is written for one associate to install & in others, the sequence is given as part of a team accessory installation. Unless otherwise stated in the document, the associates may perform the installation steps in any order to make the installation as efficient as possible while maintaining consistent quality.

Care must be taken when installing this accessory to ensure damage does not occur to the vehicle. The installation of this accessory should follow approved guidelines to ensure a quality installation.

These guidelines can be found in the "Accessory Installation Practices" document.

This document covers such items as:
- Vehicle Protection (use of covers and blankets, cleaning chemicals, etc.).
- Safety (eye protection, re-checking torque procedure, etc.).
- Vehicle Disassembly/Reassembly (panel removal, part storage, etc.).
- Electrical Component Disassembly/Reassembly (battery disconnection, connector removal, etc.).

Note: Use Combo codes if replacing more than one puddle light. A for additional 0.3 per light. A- adds 0.3 for two lights, AA- adds 0.6 for three lights, AAA- adds 0.9 for three lights.

Labor times include consideration for diagnosis and Administration time.
If you are a dealer located outside of the Southeast Region, please contact the SET Accessory Warranty Department at (888) 851-2722 or email Accessory.Warranty@SETойota.com for claim payment instructions.
VEHICLE PREPARATION & INSTALLATION PROCESS:

1. DISCONNECT CABLE FROM NEGATIVE BATTERY TERMINAL. Figure 1.

NOTE: On Hybrid vehicles the battery is located on the passenger side in the trunk, Figures 1a-1c.
2. REMOVE FRONT DOOR SCUFF PLATE LH

(a) Disengage the claw as shown in Figure 2.

HINT: Use the same procedure for the front side and rear side.

(b) Disengage the 8 claws and guide to remove the front door scuff plate LH as shown in Figure 3.

3. REMOVE COWL SIDE TRIM SUB-ASSEMBLY LH

(a) Remove the clip.

(b) Disengage the claw and clip to remove the cowl side trim sub-assembly LH as shown in Figure 4.
4. REMOVE FRONT DOOR OPENING TRIM WEATHERSTRIP LH

5. REMOVE FRONT PILLAR GARNISH LH

(a) Pull the upper part of the front pillar garnish LH toward the inside of the cabin to disengage the clip and the front pillar garnish LH from the base of the front pillar garnish clip. Figure 5

HINT: Let the front pillar garnish LH hang from the front pillar garnish clip.

(b) While pushing the tabs of the front pillar garnish clip as shown in Figure 6, disengage it

Remove the front upper and lower garnish clips. These clip CANNOT be reused. DESTROY and DISPOSE of clip. Figure 6.

NOTE: Install new A-Pillar garnish upper and lower clips when replacing garnish at end of installation. A-Pillar upper clip #62217-24020, lower 90467-A0006 (NAP), 90467-10161 (JAP) are not provided in the kit. These items must be ordered separately.
6. REMOVE INSTRUMENT SIDE PANEL LH

(a) Using a molding remover, disengage the 2 claws and 4 clips as shown in Figure 7.

(b) Disengage the 3 guides to remove the instrument side panel LH as shown in Figure 8.

(c) Disengage the 2 guides to remove the front pillar garnish LH.
7. REMOVE NO. 1 INSTRUMENT PANEL UNDER COVER SUB-ASSEMBLY

(a) Remove the 2 screws, Figure 9.

(b) Disengage the 3 claws as shown in Figure 10.

(c) Disengage the guide as shown in Figure 11.

(d) Disconnect the connector.

(e) Disengage the 2 claws to disconnect the DLC3 connector.

(f) Disengage the 2 clamps to remove the No. 1 instrument panel under cover sub-assembly. Figure 12.
8. REMOVE NO. 2 METER HOOD CLUSTER

(a) Disengage the 3 clips to remove the No. 2 meter hood cluster as shown in Figure 13.

9. REMOVE THE NO. 1 INSTRUMENT PANEL SUB-ASSEMBLY

(a) Disengage the 6 clips as shown in Figure 14a.

(b) Disengage the clamp.

(c) Disconnect each connector to remove the NO. 1 instrument panel sub-assembly.

(d.) Place red hang tag on instrument panel sub assembly OR hood release cable when removing hood latch cable from hood latch release lever. Figure 14b.

Red Tag required for PIO Only.
Tag is not part of the kit contents.
10. DISCONNECT HOOD LOCK CONTROL LEVER SUB-ASSEMBLY

(a) Disengage the claw and 2 guides to disconnect the hood lock control lever sub-assembly. Figure 15.

OPTIONAL STEP

REMOVE LOWER STEERING COLUMN COVER SUB-ASSEMBLY

**NOTICE:** Removing the lower steering column cover sub-assembly in the incorrect order will cause parts to break.

(a) Release the tilt and telescopic steering lever and fully extend and lower the steering column assembly. Figure 16a.

(b) Lock the tilt and telescopic lever.

(c) Remove the 3 screws.
(d) While pressing the push area in the illustration to disengage the 2 claws, slightly lower the lower steering column cover sub-assembly. Figure 16b.

11. REMOVE FRONT DOOR SCUFF PLATE RH

**HINT:** Use same procedure as for the LH side.

Figure 16b

12. REMOVE FRONT COWL SIDE TRIM SUB-ASSEMBLY RH

**HINT:** Use same procedure as for the LH side.

13. REMOVE NO. 2 INSTRUMENT PANEL UNDER COVER SUB-ASSEMBLY

(a) Disengage the 4 claws as shown in Figure 16c.

(b) Disengage the 2 guide as shown in Figure 17.
14. Remove the Christmas tree fastener from the passenger side front carpet. Figure 18.

Figure 18

NOTE: Loosen the C-Clip that’s highlighted in fig. 19&20. Place a rag over the clip of the inside to ensure the clip does not re-engage.

Figure 19

15. Remove the clip (c) shown in Figure 19 from the front floor cover LH in order to gain access to the front floor pan drain grommet.

Figure 20

16. Remove the clip (c) shown in Figure 20 from the front floor cover RH in order to gain access to the front floor pan drain grommet.
17. Measure drill locations for all four light pods. They should be centered in the rocker tab below each door and 2 ½” from the inside edge. Figures 21 & 22.

NOTE: De-burr each hole after drilling.

18. Remove the 2 side screws and 2 rear screws from both rockers, in order to route harnesses forward. Figure 23.

NOTE: Front rocker screws may be removed if necessary.

19. Using a 1” hole saw, drill center hole.

20. Apply protective tape to the lower front corners of both rear doors, Figure 24.

NOTE: Arrow on puddle light lens must face out, away from vehicle.
22. Route rear harnesses forward along the inside of the rocker covers. Evenly space 2 pieces of foil tape on each side to secure the harnesses to the plastic cover. Figure 25.

23. Reinstall both plastic rocker covers as well as the two clips removed from the front floor covers.

24. Using a sharp blade cut an ‘X’ in the middle of each drain plug, in order to route puddle light harnesses up and into the vehicle.

25. Lift carpet to gain access to the drain holes and route puddle light harnesses up and into the vehicle. Figure 26.

26. Seal harnesses to the drain plugs using VPC approved sealant. Making sure to work the sealant completely around and in between both wires for a water tight seal. Figure 27.

27. Route harnesses from drain plug, under carpet to factory harnesses running under the front scuff plates. Figure 28.
28. Route harnesses along factory harnesses towards the kick panels and secure with wire ties. Figure 29.

29. Route the passenger side puddle light harnesses under the foam footboard and behind the center console. Figure 30.

30. When routing the harness between the passenger side and drivers side ensure to pass the harnesses over top of the A/C drain hose. Figure 31.
31. On the driver side instrument panel under cover sub-assembly, using a 7/16” drill bit, drill the hole for the foot-well light connector centered in the highlighted block shown in Figure 32.

![Figure 32](image)

32. Align light with flat side facing seats and using 5/32” drill bit, drill two mounting holes. Mount light pod using included plastic rivets. On the passenger side instrument panel under cover sub-assembly, using the hole for the foot-well light connector centered in the highlighted block shown in Figure 33.

![Figure 33](image)

33. Align light with flat side facing seats and using 5/32” drill bit, drill two mounting holes. Mount light pod using included plastic rivets.
34. Route the long side of the foot-well harness from the driver side foot-well over to the passenger side.

35. Secure all passenger side harnesses as well as the drivers foot-well harness along top of driver side heat duct, making sure not to block any duct work. Figure 34.

36. Route the fused end of the power harness from the lower corner of the A-pillar down towards the driver's side kick panel, route from lower kick panel upward toward the lower A-pillar.

37. Using a black T-Tap connect the Red wire from the puddle light power harness to the Black wire in PIN 19 of the KV1 connector in the A-pillar. Figure 35.

38. Using a black T-Tap connect the Black wire to the Gray wire in PIN 13 of the KV1 connector. Figure 35.
39. Using a black T-Tap connect the **Black** wire of the foot-well power harness to the **Brown** wire in **PIN 2** of **K42** connector at the luggage compartment opening switch. Figure 36.

40. Using a black T-Tap connect the **Yellow** wire of the foot-well harness to the **Gray** wire in **PIN 6** of the **K42** connector at the luggage compartment opening switch. Figure 36.

41. Connect the **Red** wire from the foot-well harness to the **Red** wire of the puddle light power harness. Connect the **White** wire of the foot well harness to the **White** wire of the puddle light harness.
42. Connect all harnesses to control module and mount behind dash on lower crash support. Figure 37.

43. Bundle excess harnesses and mount fuse where it is easily accessible as shown in Figure 38.

44. Reinstall Christmas tree fastener to passenger side foot-well carpeting.
45. INSTALL NO. 2 INSTRUMENT PANEL UNDER COVER SUB-ASSEMBLY

(a) Connect the connector.

(b) Engage the clamp.

(c) Engage the 2 guides as shown in Figure 39.

(d) Engage the 4 claws to install the No. 2 instrument panel under cover sub-assembly as shown in Figure 40.

46. INSTALL NO. 1 INSTRUMENT PANEL SUB-ASSEMBLY

(a) Connect the connector.

(b) Engage the clamp.

(c) Engage the 6 clips to install the No. 1 instrument panel sub-assembly as shown in Figure 41.

47. CONNECT HOOD LOCK CONTROL LEVER SUB-ASSEMBLY

(a) Engage the claw and the 2 guides to connect the hood lock control lever sub-assembly
48. INSTALL NO. 2 METER HOOD CLUSTER

(a) Engage the 3 clips to install the No. 2 meter hood cluster as shown in Figure 42.

49. INSTALL NO. 1 INSTRUMENT PANEL UNDER COVER SUB-ASSEMBLY

(a) Engage the 2 claws to connect the DLC3 connector.

(b) Engage the 2 clamps.

(c) Connect the connector.

(d) Engage the guide as shown in Figure 43.

(e) Engage the 3 claws as shown in Figure 44.

(f) Install the No. 1 instrument panel under cover sub-assembly with the 2 screws <c>. 
50. INSTALL INSTRUMENT SIDE PANEL LH

(a) Engage the 3 guides as shown in Figure 43.

(b) Engage the 4 clips and 2 claws to install the instrument side panel LH as shown in Figure 45.

51. INSTALL FRONT PILLAR GARNISH LH

(a) Remove the protective cover.

(b) Install a new clip to the front pillar garnish LH.

(c) Engage the front pillar garnish clip to the front pillar garnish LH. Figure 47.

HINT: Make sure that the front pillar garnish clip is engaged correctly.
(d) **w/o Front No. 3 Speaker:**

1. Push the front pillar garnish LH as shown in Figure 48 to engage the 2 guides.

(e) **w/ Front No. 3 Speaker:**

1. Connect the connector.

2. Push the front pillar garnish LH as shown in Figure 49 to engage the 2 guides.

(f) Engage the clip and front pillar garnish clip to install the front pillar garnish LH as shown in Figure 49.

**HINT:** Make sure that the curtain shield airbag assembly LH is not pinched.
52. INSTALL COWL SIDE TRIM SUB-ASSEMBLY LH

(a) Engage the claw and clip as shown in Figure 50.

(b) Install the cowl side trim sub-assembly LH with the clip.

53. INSTALL FRONT DOOR SCUFF PLATE LH

(a) Engage the guide and 10 claws to install the front door scuff plate LH as shown in Figure 51.

54. INSTALL COWL SIDE TRIM SUB-ASSEMBLY RH

HINT: Use the same procedure as for the LH side.

55. INSTALL FRONT DOOR SCUFF PLATE RH

HINT: Use the same procedure as for the LH side.

NOTE: (DIO, Only) Print Warranty Statement & place in glove box.
NOTE: TRUNK LIGHT WILL NOT BE USED IN THIS INSTALLATION.

TESTING AND REASSEMBLY

1. TAKE SPECIAL CARE TO MAKE SURE ALL HARNESSSES AND WIRING ARE PROPERLY SECURED. MAKE SURE HARNESSSES ARE NOT PINCHED OR BOUND BY TRIM PIECES.

2. RECONNECT NEGATIVE BATTERY CABLE AND TORQUE TO 48 IN/LBS.

CHECKLIST - THESE POINTS MUST BE CHECKED TO ENSURE A QUALITY INSTALLATION

ACCESSORY FUNCTION CHECK:

- Test for full light condition
  - Close all doors and lock vehicle, do foot-well and puddle lights go out?
  - Unlock vehicle, do foot-well lights come on full brightness? Do puddle lights come on?

- Test for low light condition
  - Start vehicle, do puddle lights go out? Do the foot-well lights Dim?

VEHICLE FUNCTION CHECK:

- Ignition
  - Verify that the vehicle will crank.

- SR5 Warning Light
  - Confirm SR5 Warning Light Illuminates for approximately 6 seconds with the ignition on, and then goes out.

- Trunk Release
- Fuel Release
- Track Control
- Auto Headlight
- Hood Release
- Dome Light

- Warranty Statement
  - Place Warranty Statement in glove box, DIO Only.
LED IIIumination Package (Interior & Exterior)

WIRING DIAGRAM & CONNECTORS:
C1, C2, C3, and C4 are all individual LEDs.

Can be tested with Diode mode on DVOM.

**Red to Red, Black to Black = 2.5V**

**Red to Black, Black to Red = O.L.**

SOUTHEAST TOYOTA DISTRIBUTORS, LLC (“we,” “our” and “us”) provides the following limited warranty on our accessories, excluding tires, (“Accessories” or “Accessory”) installed on a Toyota. This limited warranty is not provided by and does not bind or provide benefit to the vehicle dealer, the manufacturer, or Toyota Motor Sales, U.S.A., Inc. This limited warranty does not apply to tires; please consult the tire manufacturer and/or its materials accompanying the vehicle for any warranty terms concerning tires. This limited warranty also does not apply to ToyoGuard Exterior Paint Sealant and ToyoGuard Interior Protector; please consult the ToyoGuard Limited Warranty Certificate for the warranty terms concerning those products.

SCOPE OF LIMITED WARRANTY:

A. Protection:

i. **Accessories Installed by Southeast Toyota Distributors, LLC on a new Toyota vehicle.** We warrant that, for a period of 36 months or 36,000 miles, whichever occurs first, we will repair or replace (includes labor), free of charge, any defect in such an Accessory due to faulty material or workmanship, or, at our option, provide a full refund of the purchase price of the Accessory. The warranty period begins on the vehicle’s In-Service Date, which is the first date the new vehicle is either delivered to an ultimate purchaser, leased, or used as a company car or demonstrator. Accessories installed by Southeast Toyota Distributors, LLC are identified on the vehicle’s window sticker (Monroney Label).

ii. **Accessories Installed by a Toyota Dealer on a Toyota vehicle.** We warrant that, for 12 months, regardless of mileage, from the date such an Accessory was installed on the vehicle or the remainder of the Toyota new vehicle warranty, whichever is longer, we will repair or replace (includes labor), free of charge, any defect in the Accessory due to faulty material or workmanship, or, at our option, provide a full refund of the purchase price of the Accessory. For a new vehicle, the warranty period begins on the vehicle’s In-Service Date, which is the first date the new vehicle is either delivered to an ultimate purchaser, leased, or used as a company car or demonstrator.

iii. **Accessories purchased from a Toyota Dealer but not installed by the Toyota Dealer.** We warrant that, for a period of 12 months, regardless of mileage, from the date the accessory was purchased, we will repair or replace (does not include labor), free of charge, any defect in the Accessory due to faulty material or workmanship, or, at our option, provide a full refund of the purchase price of the Accessory.

B. **Limitation of Warranty.** This limited warranty does not apply to, and we will not repair, replace, or reimburse you for: (1) wheel balancing and wheel alignments, except for one wheel balancing or alignment during the first 12 months or 12,000 miles, whichever occurs first, from the vehicle’s In-Service Date, as defined above, (2) abrasions or dents, whatever their cause, and any failure or damage resulting directly or indirectly from accidents, collisions, impacts from foreign objects, fire, theft, larceny, explosion, malicious mischief, vandalism, civil commotion, riots, war, or any other similar causes, (3) any failure or damage resulting directly or indirectly from lightning, windstorms, hail, water, floods, subfreezing temperatures, airborne chemicals, tree sap, dust, salt, and any other environmental conditions or similar causes, (4) any failure or damage caused by: (a) a failure of any part, other than the Accessory, (b) any misuse, abuse, improper towing, negligence or lack of maintenance of the vehicle or Accessory, (c) the alteration, modification or repair of the Accessory by anyone other than persons expressly authorized by us to perform such alteration, modification or repair, or (d) the use of the vehicle for commercial purposes, competitive driving or racing, (5) any failure or damage, if the Accessory has not been installed according to instructions, (6) any failure or damage occurring outside of Canada, the United States of America, its territories or possessions, (7) except to the extent required by the state whose laws govern this limited warranty, any consequential, secondary, or unreasonable costs that may be suffered as a result of the need to repair or replace the Accessory, including without limitation any loss of use of the vehicle, road service, towing, storage charges, inconvenience, loss of wages and/or income, additional expense incurred, loss of transportation, rental car expense, or any derivative damage to persons or things other than the Accessory, including other parts of the vehicle, or (8) liability for damage to property or for injury to or death of any person, arising out of the operation, maintenance or use of your vehicle whether or not related to the covered Accessory.

C. **Exclusive Remedy.** If there is a valid claim under this limited warranty for a defect due to faulty material or workmanship in the Accessory, we will, at our option, either: (i) repair, (ii) replace or (iii) provide a full refund of the purchase price of the Accessory. We have no other obligations under this limited warranty. Refunds will be made to the vehicle owner. If the vehicle is leased, the refund will be made to the leasing company.

HOW TO MAKE A CLAIM: In the event of a warranty claim, please contact the nearest Toyota dealer to arrange for repairs. The dealership must receive our prior authorization before making repairs covered by this limited warranty. The dealer will contact Southeast Toyota Distributors, LLC at 1-888-851-2722, select option #5 (Warranty Department), then option #4 (Repairs), for instructions on processing a warranty claim, if they are not already familiar with the process. If you have any questions or concerns regarding repairs covered by this limited warranty, please contact our Customer Assistance Hotline at 1-800-301-6859.

OUR DISPUTE RESOLUTION PROGRAM: Your satisfaction is our highest priority. In keeping with that focus, in the event that an issue arises related to this Limited Warranty, we invite you to call our Customer Assistance Hotline at 1-800-301-6859 to discuss it. In most cases, we expect that a satisfactory resolution of your issue can be reached through engagement with that Department. If our Customer Loyalty Department is unable to resolve your issue to your satisfaction, we offer a dispute resolution program administered by the National Center for Dispute Settlement (NCDS) (“the Program”). The purpose of the Program is to resolve disputes in an informal setting before an impartial arbitrator. The Program is free of charge to you (although you must bear the cost of any expert witness or attorney you elect to employ). You are required to complete the Program before exercising rights or seeking remedies under the federal Magnuson-Moss Warranty Act, 15 U.S.C. § 2301 et seq. (“the Act”). If you choose to seek remedies that are not created by the Act, you are not required to use the Program before pursuing such remedies – although the Program is still available to you to resolve the dispute. When utilizing the Program, you will need to provide (a) the vehicle identification number of your vehicle, (b) the identity of your selling and servicing dealerships, (c) the mileage on your vehicle at relevant times, (d) the date and nature of any relevant repairs, (e) legible copies of repair orders and other relevant documents, (f) a summary of the unresolved issue and the requested action, and (g) your contact information. In most cases, the dispute resolution process under the Program will be completed within forty (40) days of your submission of your request and will consist of steps such as an initial eligibility determination, an opportunity for you and us to submit information in writing relating to your claim, an oral hearing, and a decision from the arbitrator. A decision will be binding on you only if you choose to accept it. You may submit a request to NCDS by telephone at their toll free number: (877)-276-8848 or in writing at P.O. Box 463196, Mt. Clemens, MI 48046. You may obtain additional information regarding the Program at www.ncdsusa.org. In the event that the NCDS does not exist or no longer handles disputes for us at the time that you seek to submit a request, you may contact our Customer Assistance Hotline at 1-800-301-6859 to obtain current information about our dispute resolution programs.
GENERAL LIMITATION OF WARRANTY: This limited warranty is in lieu of all other express warranties or liabilities. In no event shall we be liable for any consequential or incidental damages for breach of this or any other warranty. Some states do not allow the exclusions or limitations of incidental or consequential damages, so the above information or exclusion may not apply. No express warranty of fitness or merchantability is granted by this limited warranty. There are no warranties which extend beyond those described in this document. Any implied warranties, including the implied warranty of merchantability or fitness for a particular purpose, which may be applicable by operation of law shall be limited to the period of this written limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply. This limited warranty provides specific legal rights, and there may be other rights which vary from state to state. Any action for breach of any warranty hereunder, including any implied warranty of merchantability, must be brought within a period not exceeding 12 months after expiration of this limited warranty. The remedies specified herein and those specified by applicable law are the only remedies available. We assume no other obligation or responsibility with regard to the accessory. We neither assume, nor authorize anyone to assume for us, any additional liability in connection herewith.

GENERAL: This limited warranty describes the complete and exclusive rights that result from the purchase of Accessories. No oral representations or statements may be relied upon. This limited warranty may not be amended or modified, and additional rights may not be granted, unless in a written statement signed by one of our officers. This limited warranty shall be governed by the laws of the state where the vehicle is purchased, excluding laws concerning conflicts of law. We may delegate the performance of our duties and obligations and assign our rights and benefits hereunder. For inquiries regarding this limited warranty, we can be contacted directly at Customer Assistance Hotline at 1-800-301-6859, or by mail to: Southeast Toyota Distributors, LLC, Attention: Customer Loyalty Department, 100 Jim Moran Boulevard, Deerfield Beach, Florida 33442.
